PROFESSIONAL PROFILE

Analytical BSc Economics student (University of Amsterdam) with a unique combination of quantitative, technical, and entrepreneurial experience. Proven ability to manage all financial and legal aspects of a sole-proprietorship across two countries, including accounting and tax compliance. Possesses hands-on programming skills (Python, SQL) applied to training AI models. Eager to leverage this blend of economic theory and practical data analysis in a finance or data-driven role.

EDUCATION

University of Amsterdam | Amsterdam, Netherlands *BSc Economics* | (Sept 2024 – Present)

- **Relevant Completed Coursework:** Statistics 1 & 2, Finance 1 for Economics, Financial Accounting 1, Money and Banking, Micro/Macroeconomics 1, Econometrics and International Money & Finance.

PROFESSIONAL EXPERIENCE

AI Trainer & Related Sole-Proprietorship (Self-Employed) | *Data Annotation Tech* | (Mar 2024 – Current)

- **Technical Debugging:** Analyse, verify, and debug AI-generated code (Python, C, SQL).
- **Model Optimization:** Evaluate and vet unreleased features of industry-leading AI models, identifying complex edge cases and refining model logic to ensure robust performance and safety prior to public deployment.
- **Business & Financial Management:** Independently manage all operations of a sole-proprietorship, registered first in Poland (from Apr 2024) and subsequently in the Netherlands (from Sept 2024).
- **Accounting & Taxation:** Solely responsible for all financial administration, including creating invoices, tracking expenses, and preparing and filing all tax returns and legal declarations in two different national tax systems.

Apartment Cleaning & Customer Service (Seasonal) | *Gdańsk, Poland* | (Jul 2020 – Sept 2024)

- Took care of two rental properties, spanning cleaning and repairs but also customer service in the form of greetings and tourism advice.

Food Delivery Driver Takeaway.com | (Sept 2023 – Jan 2024)

- Demonstrated reliability and time management in a client-facing role.

PROJECTS & LEADERSHIP

Vice President of the General Assembly & Finance Coordinator | TriMUN 2023 Conference

- Co-organized a conference for over 200 international and domestic participants.
- Led financial operations, including sourcing corporate sponsorships and securing institutional grants.
- Managed meticulous expense tracking and financial reporting required for sponsor accounting, documenting all expenditures.
- Chaired General Assembly debates and assisted with delegate recruitment.

Delegate & Fundraising | CWMUN New York (2022)

- Co-led a successful fundraising campaign for a group of 15 students, securing significant funding from local and national government agencies to attend the CWMUN 2022 conference in New York.
 - Efforts, combined with an academic scholarship received from Associazione Diplomatici, resulted in minimal out-of-pocket costs for all participants.
 - Honed skills in diplomacy, public speaking, and writing complex highly official UN resolutions.
-
